The LuSH-101 synthesizer is bundled with a free online reference manual. LuSH-101 is a virtual synthesizer similar to the Roland FM-800. LuSH-101 synthesizer has a wide range of oscillators, filters, FX and sound engines. LuSH-101 synthesizer has a simple user interface and a light-weight software that makes creating new sounds. The LuSH-101 synthesizer has a multi-purpose but unique instrument design. The LuSH-101 synthesizer offers an array of keyboard functions such as arpeggiator, modulation matrix, invert function, randomization, reverb, panning and multi-track. The LuSH-101 synthesizer contains an array of sound engines that enables sound developers to create any kind of sounds that suits their needs. Designers can create any sound that they want. The LuSH-101 synthesizer has a two layer filter with band-pass and notch filters to create pads, bass, synths, leads and FX. The LuSH-101 synthesizer also has a vocoder and the LuSH-101 synthesizer also has a multi-mode sample-and-hold section that can be used to play samples and chords. The LuSH-101 synthesizer has a powerful harmonizer section that offers chords and the LuSH-101 synthesizer also contains a powerful arpeggiator that lets the users to create any kind of loops. The LuSH-101 synthesizer also has a modulation matrix section that can be used to create a lot of cool effects such as phasing, pitch bending and modulation. The LuSH-101 synthesizer also offers a 4-band EQ section with Stereo mode, Normal, High and Low modes. The LuSH-101 synthesizer also has a filter shape section that contains sine, pulse, square and sawtooth waves. The LuSH-101 synthesizer also contains a modulation section that contains 11 modulation destinations such

as analog LFOs, sub-oscillators, envelope and pitch shift. LuSH-101 synthesizer also has a LFOs section that offers various LFOs such as phase, amplitude, color and mix that can be used to control the frequency, amplitude, rate and depth of LFOs. The LuSH-101 synthesizer also has a scale section that can be used to create any kind of sound such as scales, arpeggios, keys, chords, chords with an arpeggio, chords with a scale, chords with a 2d92ce491b
