FAQ

vintage movie of the year 2012 series premiere In the climax, Percy's friends from Camp Half-Blood and Camp Jupiter head to Camp Half-Blood, while Percy heads to the Titans' lair. At Camp Half-Blood, Percy and his friends are attacked by the ghost of the first ghost who came to the Underworld to talk to Hades about whether Persephone really died because Hades was an evil god, or because Demeter, his mother, truly loved him so much she allowed her own daughter to be eaten by the gods. The ghost states that since Persephone was actually still alive, she would return when Hades and all the other gods who were supposed to be protecting the Underworld started listening to her. Percy's friends also meet an old friend, the god Triton. Triton reveals to them that the next stage of the plan is to get to Tartarus and stop the Titan Thanatos before he can release Hades and let Persephone die again, this time forever. At Camp Half-Blood, Percy and his friends go to Camp Jupiter and meet Bartimeus, who tells them to go to the Temple of Jupiter, where two elders are - and Percy's dad, Luke Castellan, who was turned to stone by the giants, and it was only Triton who was able to save him. After that, Percy and his friends go to the Temple of Jupiter and meet an old man and an old woman. One of them is actually an invisible man, and the other is Poseidon himself, who is the god of the sea. Poseidon tells them that Hades is in the deepest part of the Underworld, which is called Tartarus. After that, Poseidon gives Percy and his friends the choice of going to the Underworld and talking to Hades themselves, or if they want, they could leave to the real world, but Percy decides to go. So he leaves to the Underworld. When he arrives in the Underworld, Percy and his friends are attacked by the ghost of Annabeth Chase, who is being tortured by the ghosts of many other people, including that of Pheme. The ghosts of those who were killed by the gods start to try to convince Pheme to tell everyone that the gods are evil, in order to stop the plan. But since Pheme knows the answer, she doesn't really listen to them. At the end of the plan, Percy, Annabeth, Grover, and the others go to a hole in the Earth and get to the deepest part of the Underworld, where
