
(Japan Lolita Pthe) Little Cousine Vol23.avi

Chrissy is one of my best friends in school. She is super hot and slutty. She is always begging me to fuck her all day. I tell her no, but I have something better in mind. Every time I turn around I see her in the bathroom taking off her clothes. She is wearing nothing but her sexy little pink panties, a tight top and her big beautiful tits are hanging out of her bra. I have been wanting to get her alone all week, and today is the day that I finally break down and fuck her brains out. She climbs on my face and sucks my dick while she gets her pussy fingered. After getting it nice and wet I shove my hard cock in her tight little pussy. I can feel her wetness soaking my balls and the tip of my dick as I pound her tight little pussy with my cock. She is screaming with pleasure as my big dick pumps her pussy. We switch positions and she sits on my face and begins to deep throat my big dick. I grab my big tits and I begin to juggle them while fucking her face. She is enjoying the attention and she pulls my head in between her tits. I can hear her scream, as my dick slips out of her pussy and hits her clit. She is cumming all over my cock as she sucks it back in again. Hope You Enjoy (Japan Lolita Pthc) Little Cousine Vol13.avi When we got in, the two girls were in the bathroom having fun with each other. They made their way to the kitchen and started making themselves some tea. I looked into the living room and saw an older woman in a blue robe and a younger girl in her teens. I walked back into the kitchen to see the girls still in there and the woman getting ready to leave. Her breasts were bouncing as she walked out of the house. I wanted to get a better look at her so I followed her outside. I was shocked when she asked the teen to go back inside, so I asked her to take a look too.
