Zombie Exodus is a story-driven text-based game. You can play it on your android device. This game provides the highest quality graphics, gameplay and storyline. Download free via APK Downloader with direct link. Welcome to APK Files Zone. Download any Android game for free directly from your browser. It is a survival horror novel where you have to help find your sister in a city that has been overrun with zombies. You are given 6 lives at the beginning of the game and can use them to regain your health. You are given 3 hours to complete the game, but each life will allow you to keep playing until you are defeated. The point of this game is to survive as long as possible until you find your sister. You can use this time to gather supplies and start to build yourself up for a battle. You can play with friends on different servers to see who can survive the longest. The game is completed with an ending sequence that will make you think about the story behind it all. Download game of the year 2019 in HD version.
